

----- FOR IMMEDIATE RELEASE -----

Delmhorst Navigator Pro Available at AIHce 2008 Through EMSL & Zefon

EMSL ANALYTICAL, INC.

INTERNATIONAL

Although Delmhorst will not be exhibiting at the American Industrial Hygiene Convention & Expo 2008, our full range of products will be on display and available for purchase at EMSL Analytical and Zefon International.

Featuring prominently at the EMSL & Zefon booths will be Delmhorst's **Navigator Pro**. Great for IAQ professionals, Navigator Pro is a 3-in-1 meter with pin mode, pin-less scan mode, and a thermohygrometer that calculates temperature, RH, GPP, and dew point. Navigator Pro also features job grouping by room and location (floor, wall, ceiling), reading recall, PC link, and intuitive menus.

Delmhorst is proud to support its loyal distributor base at industry events like AIHce and continues to be on the forefront of innovation and customer service. No matter the challenge, there is a Delmhorst moisture meter just for you.
